

# RIGHT TO RECEIVE A “GOOD FAITH ESTIMATE” EXPLAINING HOW MUCH YOUR MEDICAL CARE WILL COST

Under the law, health care providers need to give **patients who do not have insurance or who are not using insurance**, an estimate of the bill for medical items and services.

- You have the right to receive a Good Faith Estimate for the total expected cost of any non-emergency items or services. This includes
- related costs like medical tests, prescription drugs, equipment, and hospital and clinic fees.
- Make sure your health care provider gives you a Good Faith Estimate in writing at least 1 business day before your medical service or item.
- If you receive a bill that is at least \$400 more than your Good Faith Estimate, you can dispute the bill.
- Make sure to save a copy or picture of your Good Faith Estimate.

For questions or more information about your right to a Good Faith Estimate, ask your medical provider or visit [www.cms.gov/nosurprises](http://www.cms.gov/nosurprises) or call **404-351-7467**.
